Your duty of disclosure

Before you enter into or renew an insurance contract, you have a duty of disclosure under the Insurance Contracts Act 1984 (Act). The Act imposes a different duty when you:

- enter into the policy with us for the first time;
- renew your policy; and
- you vary, extend or reinstate your policy.

We set these duties out below.

The duty applies until the policy is entered into, or where relevant, renewed, extended, varied or reinstated (Relevant Time). If anything changes between when the answers are provided to us or disclosures are made and the Relevant Time, you need to tell us.

Duty of disclosure when applying for this policy

If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

Duty of disclosure on renewal of your policy

If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

Also, we may give you a copy of anything you have previously told us and ask you to tell us if it has changed. If we do this, you must tell us about any change or tell us that there is no change.

If you do not tell us about a change to something you have previously told us, you will be taken to have told us that there is no change.

Duty of disclosure on variation, extension or reinstatement of your policy

If you have already entered into a policy and you are proposing to vary, extend or reinstate the policy your duty of disclosure changes. You have a duty to tell us of anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms. If you are not sure whether something is relevant you should inform us anyway.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- We know or should know as an insurer; or
- We waive your duty to tell us about.

Who needs to tell us?

It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the policy.

If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

There is no cover under this policy for:

Conditions

You must meet certain conditions for your insurance cover to apply. For example, you must pay the premium. If you do not meet the conditions of cover, we may refuse to pay a claim or reduce the amount that we pay for any claim. For full details of all the conditions of cover that apply, please read this policy wording in full and particularly section six of the policy - General Conditions.

Your excess

The excess is the amount you must contribute towards the cost of any claim you make. The excesses applicable are shown below and in your policy schedule.

You may have to pay more than one excess depending upon the age and experience of named riders and whether your motorcycle is being ridden by or is in the charge of any person who is an unnamed rider. The standard excesses you may be required to pay are:

- Basic Excess – the first amount you must pay towards every claim you make. The amount of the Basic Excess will vary depending on the age and experience of named riders and the type of motorcycle that we are insuring. The Basic Excess will be shown on your current policy schedule.
- Age or inexperienced rider excess - is in addition to the basic excess. The following age and inexperienced rider excesses apply to this policy:
 - \$1,000 whilst your motorcycle is being ridden by or is in the charge of any named rider aged 25 or under
 - \$2,000 whilst your motorcycle is being ridden by or is in the charge of any unnamed rider aged 25 or under
 - \$1,000 whilst your motorcycle is being ridden by or is in the charge of any person over the age of 25 who has held an Australian motorcycle rider licence for less than two years.

We may at our discretion increase any of the standard excesses listed above or impose additional excesses based on our overall assessment of the risk and your insurance claims or loss history. If we increase any of the above listed standard excesses or impose additional excesses, this will be shown on your current policy schedule.

Cost of the policy

The amount that we charge you for this insurance is called the premium. The premium is the total we calculate when considering all of the factors which make up the risk, such as:

- the type of motorcycle
- the age of the motorcycle
- how often the motorcycle is ridden
- where you live and how your motorcycle is usually parked
- the age and experience of any riders
- whether your motorcycle is used for commuting
- your previous claims history as well as that of others who may ride your motorcycle
- your driving record as well as that of others who may ride your motorcycle
- your no claim bonus.

The cost of your policy is made up of your premium plus government taxes such as GST, stamp duty and fire service fees and may also include a fee for the issue of documentation. The amount of your premium is shown on your policy schedule.

No claim bonus (NCB)

A discount is provided to reward good riders. To provide this discount we consider your recent driving and riding history and incident history combined with the NCB granted by your current insurer. The amount of the discount varies with the number of claim free years of driving and riding you have accumulated.

If you have held your motorcycle rider licence for less than 1 year, we will use your driving history to determine your NCB. To obtain the maximum NCB, you will need to have 5 years of not making a claim on any motorcycle insurance with us or another insurer.

No claim bonus protection

If your policy schedule states that your No Claim Bonus is protected then your No Claim Bonus rating will be protected for one claim per period of insurance where either we deem you at fault or you cannot identify the third party responsible for the damage. For each subsequent claim where we deem you at fault or you cannot identify the third party, your No Claim Bonus rating will be reduced.

Other costs, fees and charges

Other costs, fees and charges which may be applicable to the purchase of your insurance policy include:

COST OR FEES	DETAILS

Paying for your insurance – new policies and renewals

Paying your premium

Various options are available for paying your premium including:

- annual payment by cheque, credit card or BPAY
- instalments by direct debit from your credit card or bank, building society or credit union account.

An instalment fee will apply if you choose to pay in instalments. A credit card processing fee will also apply on all credit card transactions (annual and instalment payments).

What happens if you do not pay the cost of your policy by the due date?

We will have the right to cancel your policy if you do not pay your premium by the due date or if your payment method is dishonoured and therefore we have not received your payment by the due date. Unless we tell you, any payment reminder we send does not change the expiry of your cover or the due date of your premium.

Paying by instalments

Where you pay your premium by instalments:

- We will not pay any claim if at the time the incident giving rise to the claim occurred, at least one instalment of premium remained unpaid for 14 days or more.
- If any instalment of premium has remained unpaid for 30 days, the policy will come to an end without notice to you.
- In the event of a total loss, any balance of the annual premium will become due before settlement of the claim. Alternatively, it may be deducted from the settlement of your claim.
- If the financial institution holding your account returns or dishonours a direct debit payment due to lack of funds in your account, we will charge you for any direct or indirect costs which we incur arising from the payment being returned or dishonoured.

After you have paid for your insurance – new policies

When you have paid for your insurance, we will forward you a tax invoice, policy schedule and application summary. Please check these documents carefully. If all the information is correct, you do not need to do anything else. If any information is incorrect or missing, it is your responsibility to inform us that information is incorrect or missing. If you do not inform us, we will assume the information on the documents we have sent you is correct and we will rely on this information in the event of a claim.

Cooling off period

If, after reading your policy, you are not satisfied with the cover, you may cancel this policy within 21 days of receiving it, and obtain a full refund less any non refundable government charges and taxes that we have paid. You may notify us in writing, over the phone, or electronically. If you make a claim for any incident within the 21 day period, you must pay your annual premium in full before you can cancel your policy.

If your policy is for an event that will finish within the 21 day cooling off period, you can only exercise your right to cancel before the event starts.

Our Privacy Policies contain information on how you may access personal information that each of us hold, or seek correction of your personal information and information on how to make a complaint about the handling of your personal information and how complaints are handled.

Making a Claim

When you need to make a claim

Before we can settle any claim under your policy the premium must be paid. You must promptly tell us about the claim and give us all information about the claim. This can be done by telephone, facsimile or email. We may forward you a claim form for completion. It is important to remember that a claim made by any one of the persons named as the insured in the current policy schedule is a claim by all of them.

Choice of repairer

When you need to make a claim, you can choose your own repairer or we can recommend a repairer to carry out the repairs to your motorcycle.

Parts we use to repair your motorcycle

When we authorise repairs, we:

- will guarantee the quality of workmanship and materials for the life of the motorcycle (subject to wear and tear)
- will use new parts or parts consistent with the age and condition of your motorcycle
- may instruct the repairer to use other repairers to complete certain parts of the repairs.

Proof of loss

When you make a claim under this policy, we may ask you to provide proof of purchase or proof of ownership of your motorcycle, items, accessories, modification and riding apparel. If you cannot provide this proof we may not pay you.

Paying your excess

When you make a claim under this policy we will advise you when and how to pay your excess. You must pay your excess when we request it or we will be unable to pay your claim.

Claims for less than the excess

The cover under this policy is only available if the amount claimed is more than the excess/es even when the excess/es would not apply.

How you must co-operate

In the event of a claim you have an obligation to provide all assistance and co-operation in settling the loss. You must help even after we have paid your claim.

We may attempt to recover the amount of our payment from another party if they were responsible for the loss or damage. We will do this in your name. We may also wish to defend you if it is alleged you caused someone else's loss or damage.

If your motorcycle is a total loss

If we:

- pay you the agreed value
- pay you current market value, or
- replace your motorcycle with a similar motorcycle

less any excess applicable, this policy comes to an end and no refund of premium is due to you. Once we have paid you, your motorcycle, including all accessories and modifications advised to us, becomes our property. All accessories or modifications not advised to us are your property. We may charge you or deduct from any payment we make to you the cost to remove and deliver them to you. If any insured accessories or modifications are removed and not replaced with a fully functioning standard component, we will deduct the value of the fully functioning standard component from any payment we make to you.

Damage to someone else's property

If you make a claim for damage to someone else's property you must pay the excess/es before we will settle the loss on your behalf.

How does a claim affect your no claim bonus?

Your no claim bonus will be reduced upon lodgment of any claim unless we agree that:

- the incident was entirely the fault of the other driver, and
- you can give us the name and address of the other driver and the registration of their vehicle.

If your policy schedule states that your No Claim Bonus is protected then your No Claim Bonus rating will be protected for one claim per period of insurance where either we deem you at fault or you cannot identify the third party responsible for the damage. For each subsequent claim where we deem you at fault or you cannot identify the third party, your No Claim Bonus rating will be reduced.

GST

If you are not registered for GST, in the event of a claim we will reimburse you the GST component in addition to the amount that we pay. The amount that we are liable to pay under this policy will be reduced by the amount of any input tax credit that you are or may be entitled to claim for the supply of goods or services covered by that payment.

If you are entitled to an input tax credit for the premium you have paid, you must inform us of the extent of that entitlement at or before the time you make a claim under this policy. We will not indemnify you for any GST liability, fines or penalties that arise from or are attributable to your failure to notify us of your entitlement (or correct entitlement) to an input tax credit on the premium. If you are liable to pay an excess under this policy, the amount payable will be calculated after deduction of any input tax credit that you are or may be entitled to claim on payment of the excess. If you are unsure about the taxation implications of this policy, you should seek advice from your accountant or tax professional.

Making changes to your policy

If you wish to make changes to your policy, you must advise us and the change will be effective if:

- we agree to make the change, and
- you pay us any additional premium required, and
- we confirm in writing the change is effective.

Changes that you must advise us of include, but are not limited to:

- when you replace your motorcycle with another motorcycle
- when you modify your motorcycle in any way
- if you start using your motorcycle to commute
- when you change your address or the address where you have advised us your motorcycle is parked overnight, as shown in your policy schedule
- if you will no longer be parking your motorcycle in the way you have declared to us, as shown in your policy schedule (such as garage or carport).

Failure to advise us of changes may result in a claim not being paid.

Cancelling your policy

We may cancel your policy where we are allowed to do so by law by writing to the postal or email address last provided to us.

You may cancel your policy at any time by advising us in writing, over the phone, or electronically. If you do this, we will deduct from the premium you have paid us, the premium for the period that you have been insured together with the cancellation fee of \$20 plus GST, the agency fee of \$50 plus GST and any other non-refundable government taxes or charges. We will then refund the remaining premium to you.

Notices

All notices issued by us to you will be in writing. The notice is effective if it is delivered to you personally, by facsimile, electronically or if it is delivered or posted to your last postal address provided to us. It is important for you to tell us of any change to your postal address as soon as possible.

If you sell or give away your motorcycle, this policy comes to an end without any notice to you. You should advise us in writing, over the phone, or electronically, of the disposal of your motorcycle and we will cancel your policy and refund the premium due to you from the date of sale.

SECTION FOUR: EXCESS

An excess applies to all claims under this policy for loss or damage to your motorcycle.

You may have to pay more than one excess depending upon the age and experience of named riders and whether your motorcycle is being ridden by a person who is an unnamed rider. The standard excesses you may be required to pay are:

- Basic excess – the first amount you must pay towards every claim you make. The amount of the basic policy excess will vary depending on the age and experience of named riders and the type of motorcycle that we are insuring. The basic excess will be shown on your policy schedule.
- Age or inexperienced rider excess - is in addition to the basic excess. The following age and inexperienced rider excesses apply to this policy:
 - \$1,000 whilst your motorcycle is being ridden by or is in the charge of any named rider aged 25 or under
 - \$2,000 whilst your motorcycle is being ridden by or is in the charge of any unnamed rider aged 25 or under
 - \$1,000 whilst your motorcycle is being ridden by or is in the charge of any person over the age of 25 who has held an Australian motorcycle rider licence for less than two years.

We may at our discretion increase any of the standard excesses listed above or impose additional excesses based on our overall assessment of the risk and your insurance claims or loss history. If we increase any of the above listed standard excesses or impose additional excesses, this will be shown on your current policy schedule.

If we make any payment under this policy which includes any excess for which you are responsible, then you must pay to us the amount of such excess on request. Each excess is cumulative.

Cover under this policy is only available if the amount claimed is more than the excess or cumulative excesses even when the excess would not apply.

The excess must be paid when a claim is made unless we agree the incident was entirely the fault of the other driver or party, you can give us the name and address of the other driver or party, you can give us the registration of the vehicle that caused the damage to your motorcycle, the damage exceeds the amount of the excess and the other driver or party was not a family member or a person who resides with you.

SECTION FIVE: CLAIMS PROCEDURES

When your motorcycle is involved in an incident or loss which may give rise to a claim under this policy, you must contact us without delay. You can contact us to make a claim by calling 1300 326 687, OPTION 3.

You must also:

- take all reasonable steps to avoid further loss or damage
- inform the Police as soon as possible, but within 24 hours of the damage coming to your attention, if your motorcycle (or part of your motorcycle) is stolen, or damaged in an attempted theft, or if malicious damage is suspected
- within 30 days complete and give to us a claim form (if we ask you to complete a claim form)
- give all information and assistance required by our legal representative or investigator to allow us to fully examine and settle your claim, and/or enforce in your name the rights we may have against any third party
- pay any contribution on the cost of repairs or part/s where the repair or replacement part/s puts your motorcycle in a better condition than prior to it being damaged.

When property belonging to other people is damaged in circumstances which may give rise to a claim under Section Two you must:

- not without our consent in writing, make any admission of liability, offer, promise or payment in connection with that claim
- forward to us every letter, claim, writ, summons or process relating to the claim immediately after it is received.

We will have full discretion in the conduct of any proceedings or in settlement of any claim made against you and may:

- prosecute in your name any right of recovery against other persons

We agree that any disputes arising from this policy will be determined by the Courts, and in accordance with the laws of the state and territory where this policy is issued.

Claims for less than the excess

The cover under this policy is only available if the amount claimed is more than the excess even when the excess would not apply.

Proof of loss

When you make a claim under this policy, we may ask you to provide proof of purchase or proof of ownership of your motorcycle, items, accessories, modifications and riding apparel. If you cannot provide this proof we may not pay you.

Repairs

When you need to make a claim, you can choose your own repairer or we can recommend a repairer to carry out the repairs to your motorcycle.

When your motorcycle is being repaired – what we will do

When you have chosen your own repairer or you have chosen the repairer we recommend, we will ask the repairer to provide a quotation for the work that is required to repair your motorcycle. If we consider that the quote is fair and reasonable, we will authorise the repairer to carry out the repairs. When it comes to the repair of your motorcycle we:

- will repair your motorcycle to return it to the condition it was in before the incident which damaged your motorcycle
- will use new parts or parts consistent with the age and condition of your motorcycle
- may instruct the repairer to use other repairers to complete certain parts of the repairs. For example, if your windscreen is damaged, we may instruct the repairer to have the windscreen repaired by a specialist windscreen repairer
- guarantee the quality of workmanship and materials for the life of your motorcycle (subject to wear and tear).

If you choose your own repairer, we may not always authorise the repairs if we are not satisfied that the quote for the repairs is fair and reasonable. If this happens:

- we will pay you the amount that we determine to be fair and reasonable for the repairs. This amount will be determined by a motorcycle assessor appointed by us inspecting the damage to your motorcycle, and reviewing, adjusting and/or amending your repairer's quote. We may also compare your repairer's quote with a quote we obtain from a repairer we choose
- if we do not authorise repairs and we pay you the amount we determine to be fair and reasonable for the repairs, we will not guarantee the quality of workmanship and materials.

What is not covered – repairs

We:

- will not be responsible for additional costs incurred because of delays in delivery of parts
- will not pay for any air-conditioning refit, re-gas or any modification required by law
- may require you to contribute to the cost of the repairs if the repairs to your motorcycle leave it in a condition that is better than the condition it was in before the incident that caused the damage.

Riding apparel – how we will pay claims

When your riding apparel or the riding apparel of any named rider or your or their pillion is lost or damaged and we have accepted a claim for the loss or damage, we will decide to either repair or replace the riding apparel or pay the cost of repairing or replacing the riding apparel.

If we decide to repair or replace the riding apparel, we will repair or replace the riding apparel with new materials or new riding apparel. We will make all reasonable endeavours to match the materials used for repairs or new riding apparel with the lost or damaged riding apparel. Where this does not achieve an exact match, materials or riding apparel that in our opinion match the lost or damaged riding apparel will be used.

If we decide to pay the cost of repairing or replacing the riding apparel, we will pay up to the limit shown in your policy schedule for riding apparel, subject to limits contained in the policy. The amount that we pay will be the current retail price or any lower price that we may obtain, whichever is less. Damaged riding apparel that we have replaced or cash settled you for as a result of a claim will become our property.

Riding apparel – what we will not pay

We will not pay:

- for repair or replacement of any undamaged riding apparel to match the riding apparel we have repaired or replaced
- any decrease in the value of a pair, set or collection when the damaged or lost item forms part of the pair, set or collection

SECTION SIX: GENERAL CONDITIONS

If you do not comply with the following conditions, we may refuse to pay a claim in whole or in part.

Renewal procedure

When your current policy is close to expiry, we may send you an invitation to renew your policy. Any changes to the premium or the cover provided by the policy will be detailed in this renewal invitation.

Before you accept our invitation to renew your policy, you have a duty, by law, to tell us everything that you know or could reasonably be expected to know that will alter the risk that we propose to insure in the new period of insurance. For example, if you have declared to us in your application that your motorcycle will be garaged overnight at the address you have declared and it will no longer be garaged overnight, you must tell us.

Making modifications to your motorcycle

You must notify us immediately if your motorcycle is converted, altered or modified from the manufacturer's original specification for the model or series. Your motorcycle and the modification will be covered if:

- we agree to cover the modification and your motorcycle, and
- you pay us any additional premium required, and
- we confirm in writing the modification and your motorcycle is covered.

If you want to change any other information or details in your policy, including adding additional named riders, please contact us

The change will be effective if:

- we agree to make the change, and
- you pay us any additional premium required, and
- we confirm in writing the change is effective.

Cancellation

By You

You may terminate this policy at any time by forwarding to us a request in writing, electronically, or over the phone.

If you do this, we will deduct from the premium you have paid us, the premium for the period that you have been insured together with the cancellation fee of \$20 plus GST, the agency fee of \$50 plus GST and any non-refundable government taxes or charges. We will then refund the remaining premium to you.

By us

We may cancel this policy at any time where we are entitled to do so by law. If we cancel the policy, we will refund the premium in respect of the unexpired period of the policy.

In the event of your motorcycle being declared a total loss, this policy will be cancelled from the date of the event causing the total loss. No refund of premium will be made.

Failure to pay your insurance premium

It is a condition of this contract of insurance that you pay the insurance premium and we may take steps to cancel your contract of insurance for non- payment of the insurance premium.

Instalments

Where you pay your premium by instalments:

- We will not pay any claim if at the time the incident giving rise to the claim occurred, at least one instalment of premium remained unpaid for 14 days or more.
- If any instalment of premium has remained unpaid for 30 days, the policy will come to an end without notice to you.
- In the event of a total loss, any balance of the annual premium will become due before settlement of the claim. Alternatively, it may be deducted from the settlement of your claim.
- If the financial institution holding your account returns or dishonours a direct debit payment due to lack of funds in your account, we will charge you for any direct or indirect costs which we incur arising from the payment being returned or dishonoured.

Headings are for convenience only and do not affect interpretation. Where a word or phrase is defined, its other grammatical forms have a corresponding meaning.

Subrogation

We have the right on your behalf (and in your name) to conduct any negotiation, settlement or legal proceeding, whether prosecuting or defending. Your full co-operation is required in these matters. Where you have entered into an undertaking with any other party which prevents or limits your/our right to recover from that party all Benefit under this policy is forfeited unless you have our prior written consent.
